

Easy

No IT burden

One week from start to finish

Data from any accounting system

Affordable

The product itself is great, and it's an easy win for the city to implement.

Matt Pressey, Finance Director of Salinas

Affordable

South Orange, NJ

\$1,800

Mountain View, CA

\$3,400

Riverside, CA

\$5,000

It complements the City's 500-page budget document. It brings the numbers to life.

Jill Hunter, Mayor of Saratoga

It takes transparency and decision-making to a new level.

Lalo Perez, Administrative Services Director of Palo Alto

With OpenGov Transparency, our citizens can easily see how the City's finances work with the click of a button.

John Adams, Finance Director of Thousand Oaks
